

July 2020

Dear Parent/Carer

We hope that you are enjoying your Summer.

We have enclosed a copy of our "Student Passport" booklet. We hope that you and your family can support your child in completing the booklet over the holidays.

They should bring the completed booklet in with them, in September, when Form Tutors will be using the booklets to help the students get to know themselves and one another.

Yours faithfully

Nick Collins
Assistant Headteacher & Transition Lead
