

01 July 2021

Dear Parent/Carer

Firstly, I would like to take the opportunity to welcome your child to North Huddersfield Trust School, we are delighted they will be joining us on Wednesday 8th September 2021. Students are to arrive for 8.30am prompt and enter through the main school gates where they will be directed by school staff to their designated area.

Due to the current coronavirus situation, we have implemented controlled measures to maintain everyone's safety at school. This means that we have modified and restricted our usual transition programme.

Please be assured that we are working tirelessly to ensure your child's transition to high school is as smooth and comfortable as possible. We know the transition to secondary school can be an exciting time but also a daunting experience for some children and their families, which is why we have created a modified transition process.

In recent weeks, we have contacted your child's primary school and have collated as many details as possible regarding their work strategies, along with any other important information that will help us to help them achieve their best.

We have prepared, and included with this letter, your copy of the school's Welcome Booklet (which includes vital information) along with a copy of the school calendar including our important dates for the year. These are subject to change based on the government's guidelines going forward. We do also, from time to time, add further dates and events through the year. We will keep you informed of these.

We have also included our "Diary of a Year 7 Student" which was created with the help of our Year 7 students. It should provide you and your child with a wonderful introduction to North Huddersfield Trust school.

We use our school website (www.nhtschool.co.uk) transition page and social media platforms (see Facebook, Instagram and Twitter) to keep all of our community informed.

We have planned a number of team building activities and getting to know one another tasks for your child to take part in when they start at our school in September.

Cont.....

We are very much looking forward to welcoming your child and ensuring that their transition to high school is as positive as possible. If you have any queries regarding the contents of this letter, or any other matters, please do not hesitate to contact me directly via email at lbunn@nhtschool.co.uk.

Every student will receive a free hoodie; no other hoodie should be worn for PE (or in school).

Yours faithfully

Laura Bunn
Year 7 Standards and Achievement Leader.
