

Dear Parent/Carer,

Year 11 Mock Exams Nov-Dec 2021/Mock Results Day 21/1/2022

As you will be aware, the mock examinations for Year 11 start on Monday, 22nd November, and finish at the end of this term in December. I cannot stress how important these exams are. **The results from the mock exams go to colleges as a part of your child's applications.**

All Year 11 students received a mock exam timetable at the end of October and were encouraged by form tutors to effectively plan for revision with the use of a revision timetable template.

We appreciate that students may get ill during exams. As such, we have timetabled some additional days, at the end of term, where any pupils who have missed exams will have the opportunity to sit the exams they have missed.

Should your child test positive for COVID-19, it is extremely important that they self-isolate, to protect others, in accordance with NHS guidance. No pupil will be penalised for missing exams due COVID-19. We will do everything we can to make sure that they still have the opportunity to sit the exams.

This can be a very anxious time for Year 11 pupils so we want to support you and your child, in any way that we can. **There are lots of tips and guidance, relating to revision and wellbeing, in the Year 11 section of the school website.** This section can be found by clicking on the following link, <https://www.nhtschool.co.uk/parents/year-11-information/>. Additionally, you can contact Miss George, Year 11 Pastoral Manager or myself, here at school.

The **Mock Results Day** will take place on **Friday 21st January 2022**. This date will ensure that Year 11 have plenty of time to complete their college applications before the deadlines at the beginning of February 2022.

More information will follow on this immediately after Christmas. On that day, students will receive their mock results at an allocated appointment time and will be able to see if their predicted grades meet the entry requirements for their preferred post-16 pathway. **Parents/carers should attend the Mock Results Day with their child on January 21st 2022.**

In the meantime, I wish your child the very best of luck for the forthcoming mock exams season and hope that they get the success they deserve.

Yours sincerely

Mr G Deighton

Year 11 Strategy and Achievement Leader
