

A Letter to My Year 6 Self

When I think back to the last weeks of Primary School, I had a few worries about starting High School.

I was worried about getting lost, would I get a lot of homework and would I have problems with other students.

When I walked into the school on the first day, I realised I was not alone. There were so many other students going through exactly the same thing as me, and that made me feel so much better.

There were so many staff who supported me and helped me out if I was lost or stuck with anything. I soon realised I had nothing to worry about.

Yours Sincerely,

Laila J
