

# A Letter to My Year 6 Self

When I think back to the last weeks of Primary School, I had a few worries about starting High School.

I was worried about not making friends, but after a short time I made some new friends and became more confident being around new people.

I was also worried about getting lost when going from lesson to lesson, but there was always people around to help you. I soon found my way round.

I really enjoyed learning new things. The Teachers are great and the lessons are good. If you don't know what to do they will always help. My favourite lesson is PE. I love sport.

The food at break and lunchtime is great and a good choice.

The best advice I can give is not to be nervous and enjoy every minute.

Yours Sincerely,

Ryan R

(Previously of St Thomas CE Primary School)
