Dear Parent/Carer

### **Year 7 September 2022 Admission**

On behalf of all staff, we are delighted that your child has been allocated a place in Year 7 at North Huddersfield Trust School for September 2022.

Please allow me to briefly introduce myself. I have been Headteacher here since May 2019 having worked in education since 1995 when I began my career as an English teacher. I worked in five schools prior to NHTS, the most recent of which was as Deputy Head in a large Rochdale secondary school. NHTS is an extremely happy, caring and nurturing environment in which students can develop and thrive. We have a healthy mixture of staff who are relatively new to the school and many who have worked here for a much longer period of time. In the last three years, the curriculum has been completely overhauled and the way it is delivered reformed and refined, so that it matches the ambition we hold for every student. At the beginning of the current academic year, our Student Parliament was launched; an integral element of our leadership programme that gives a voice and an influence to the people we believe will shape and transform society.

It is an exciting time to be part of the North Huddersfield Trust journey. Student numbers in September 2022 will have practically trebled from when the school opened eleven years ago. As well as transforming our curriculum, significant developments to the physical school environment are in-process, including the refurbishment of the theatre, improvement of the cosmetic appearance and the functional effectiveness of a number of key teaching spaces and brand new, professionally designed displays across the site. Interactive teaching boards and brand new furniture will soon be installed in every teaching space.

Over the coming weeks and months, we will be working closely with our primary school colleagues to gather all necessary information in making your child's transition to high school a smooth and enjoyable one. In the meantime, please find two important dates for your diary below; more information will be provided in due course;

- **Tuesday 5<sup>th</sup> July 2022** – Common Transfer Day. All students who are joining Year 7 in September spend a full day here at North Huddersfield Trust School. This is an important opportunity for your child to get a flavour of what to expect in September and to meet some of their new teachers, other key members of staff and classmates.

- **Thursday 7<sup>th</sup> July 2022** – Parents' evening for families of children who are joining Year 7 in September. This is an important evening where you will hear from key staff and receive important information in preparation for your child joining our school community.

As you will appreciate, information about your child is essential. To help make this smooth and efficient, please login to **Admissions+** and complete the admissions form – details are provided below:
